## ANNUAL REPORT

# WELCOME

## **This is the annual report for the 2016 season of Nacton Cricket Club.**

2016 was a solid season for Nacton CC. The Saturday team playing in Division 5 of the Two Counties Cricket Championship finished in 6th position again for the second season running, however the side got more wins and more points. The Sunday side had a completed a good season with second place in the Suffolk Cricket Alliance Sec B and secured

promotion to Sec A. The club toured to Hertfordshire this year, visiting some old clubs. For those who went on tour, they had a good few days with wins over both oppositions. Finally the Stadium our ground took shape this year with pre-season works to lay the new patio. We have also added an electronic scoreboard which looks great

## Chairman's Statement 2016

Mr Ellis G Baker

**The 2016 season was a very successful one on the playing front. The Saturday team finished in a respectable position in a very competitive division 5 and the Sunday team were runners up in Section B.**

Well done Jon Warner, Alex Brunt and Lewis Rush for team selections, it was good to see Email back in use!

We welcomed some new members this year: Tom Hodges, Sam Johnson, Adam Jewell and Hamsa. It was great to see Jake Blowers playing again.

Tragically we have lost one of our Vice Presidents, Vicky Woollard affectionately known as VW. VW was always full of fun and energy and we will all

miss her dearly. At the annual Dinner a fitting tribute was read by Alex Brunt followed by a toast courtesy of Mark Adams.

Eleven centuries were recorded this year, Sam Johnson 6, Ben Glading 2, Jon Warner 2 and Jack Coomber 1, 28 half centuries were also recorded. Sam Johnson scored an incredible 1629 runs which must be a club record. Corey Stockwell posted the best bowling figures 7 for 44; John Bafico and Ellis Baker took 5 wickets each in an innings. Top wicket takers were Corey Stockwell 35 and Jack Coomber 31.

Thanks to John Bafico for printing and

supplying the fixture cards and also his watering duties.

Clive Nunn and David Simmonds have contributed throughout the season to the upkeep of the square. Chris Rush has also helped to renovate strips for some Sunday matches.

Sadly, the turnout for the end of season renovation was poorly supported. On a more positive note the attendance for the patio improvement was superb well done to all of you for working very hard under the guidance of Alex Brunt and Jon Warner! At last we have a superb digital scoreboard which is a fitting tribute to our late chairman, Max Ralph. This was largely thanks to the generous donation from Doreen Ralph, which made this possible.

The 6-aside tournament and race night were the main fundraising events. Well done Alex Brunt, Lewis Rush, Mark Adams, Rosie Horsfield and John Bafico plus other helpers Also Zee for the tasty curry. I am not sure if everyone realises the hard work that has to be put in so that these events possible! The numbers attending the annual Dinner and presentation night were down this year and due to a misunderstanding as to whether or not the deposit was refundable a small loss was recorded. Well done all members who received their worthy awards. Thanks to Bev and Heather for selling the raffle tickets and Jane for her help with the draw.

Yet again Clive Ralph has done a great job in his role as treasurer. Perry Bush has maintained a superb website with some amazing stats and photographs and Mark Adams has kept us in order at various meetings. Thanks to Robert Warner for his on-going help with repairs and cutting the outfield. The standard of teas this year was yet again superb thanks to Marty "2 teas" for organising the rota.

Hopefully projects for next year will include levelling the square and new wheels and hoses for the covers. 

# The 2016 Hertfordshire Tour

## Lewis Rush reports

### Monken Hadley v Nacton

The atmospheric conditions saw a slightly delayed start however Nacton won the toss, skipper Lewis Rush had no hesitation in sending out a tried and tested Boycott (James Brown) and Warner (Sam Johnson) combination.

Clearly not being satisfied with the smallness of the boundaries Sam chose not to trouble the score and this brought Dan Wijerathna to the crease with Nacton 1-1. A good partnership then developed with James dealing in 1s & 2s and Dan in 4's before he fell for 54 trying to hit his first six of the game however the partnership of 89 between him and Brownie gave us a good start. Zulfi then came to the crease complete with crocodile Dundee hat before Brownie was dismissed for an entertaining 34. This then saw the skipper Lewis Rush come to the crease and he treated the Nacton faithful to a swept four with his very first delivery. Zulfi then departed with the score on 106 and at the dizzy heights of six Nactons very own Ben Stokes (John Bafico) came to the crease. Despite variable conditions/reduced visibility, him and the skipper scored comfortably before Lewis was dismissed for 16 just before Brownie was worried his score may have been overtaken.

The next wicket to fall was John for 20

which saw our lower order power hitters come to the crease. Hamsa made an entertaining 31 with the bat which gave

Corey Stockwell (21 not out) and Ben Morrison (15 not out) the chance to come in and 'tee off', rain then intervened again and following input from all his team mates skipper Rush chose to declare with the score on 210/7 off 34 overs.

The Monken Hadley

innings got off to a strong start with their opening batsman taking a liking to Warren Cutting's (6-49-0) bowling and also the short boundaries, Corey (5-7-1) at the other end kept things tight and got an important breakthrough via a good caught & bowled. With the opening partnership broken skipper Rush could turn to his spin bowler and

Hamsa then proceeded to rip through their middle order. A fine spell of bowling in tandem with the Coach (8-27-1) saw Hamsa find himself with the chance of a tour hat trick however this was not to be and he finished with figures of 8-27-4. With the tail order exposed Zulfi came on for a short spell (2-4-1) along with Sam (4-13-1) before the introduction of Brownie who with figures of 3-21- 2 including a Stockwell stumping ensured the win for Nacton as Monken Hadley ended up on 153/7.

Man of the match for Nacton was Dan Wijerathna for his entertaining 54 with special mention to Hamsa and Corey for their impressive bowling spells. The Sri Lankan contingent (including Warren) returned back to Ipswich along with the Bafico, Morrison touring parties. With Lewis Rush, James Brown, Sam Johnson , Ben Glading, Corey Stockwell heading back to their hotel following some fine dining at McDonalds (other fast food outlets are available) on Barnet High street.

### **Archway Ladder v Nacton**

The bank holiday Monday saw us return to Old Owens sports ground for a game against Archway; this ground was very different to the day before with bigger boundaries, better facilities and a step up in opposition.

Rather disappointingly we could only provide 8 players for this game which given Archway

always manage to get a side to Nacton was embarrassing however they kindly leant us three of their squad so a full 11 a side match could be played. Archway won the toss and chose to bat in what was to be a 40 over a side game.

In a somewhat left field strategy skipper Lewis Rush chose to open the bowling with Ben Connelly and the more obvious selection of Corey Stockwell who struck in his very first over with a delivery his hungover skipper at square leg didn't even see so god know how the batsman

did either.

However the most entertaining to watch was Connelly who bowled left arm seam to great effect and even managed to clean bowl one of the openers. Connelly finished with figures of 5-15-1 and Corey 5-9-2 to

give Nacton a strong start. Fresh from very little sleep Jack Coomber (7-38-1) was given the ball and along with Sam Johnson (5-16-1) bowled well to restrict Archway to around 100/4 at the 1/2 way point of the game. With such a positive start Nacton could then turn to some of the less frequent bowlers and this entertaining ten over period between JW (6-45-0) and Ben G (4-21-0) saw Archway put on a sizeable partnership and rebuild their score. Short of inspiration the skipper turned to his death bowling specialist James Brown (4-36-2) who got the breakthrough and also Archway loan Eugene Walsh (2-25-1) who dismissed the dangerous Faizel to see Archway end up with a competitive 265/9 from their 40 overs.

Much discussion occurred at the tea interval as to who would open with Sam Johnson and in a wonderful example of player power it was decided that skipper Lewis Rush would vacate his usual number five spot and open the batting for Nacton. Watching Sam Johnson score boundaries at the other end must have had an impact as the skipper took on the quicks much like Alex Hales would with two boundaries of his own including

a deliberate shot to the third man boundary and a KP esc swat back down the ground. Both openers scored freely before Sam was bowled for 25 and the very next over Lewis was dismissed with his trusted edge finding a slip fielder who could catch the ball.

Two quick wickets saw Bens Connelly and Glading come to the crease with the task of rebuilding the Nacton innings. The pair of them stated to accumulate runs with Connelly reaching 20 from 29 balls before being dismissed with this 66 run partnership moving the Nacton score to 101, at this point Glading was on 43. Jonathan

Warner (JW) then came the crease and kept the run rate ticking over with a well made 26 from 35 balls he was then dismissed with the score on 173, at this point Glading had moved to 82. At this point Archway brought on the bowling master that is Hoops and this was clearly an attempt to get the prized wicket of Glading however he saw his way through this Hanscombe esc bowling style to reach an entertaining 100. However there was still work to do with the Archway total

looming ever closer and despite wickets falling at the other end Gladding nearly brought us home before he was dismissed on 158 with the Nacton score a 259. It was then down to that mang Eugene Walsh to come in and score two 4's to bring Nacton home for a great victory in the penultimate over and secure the double over Archway for the 2016 season.

Man of the match for Nacton had to be Ben Gladding for his 158 which was the reason Nacton chased down what could have been a tricky target, some wonderful hitting especially the six of Faizel was one of the many highlights from his innings. The hospitality from Archway was first class as always with plenty of drinks enjoyed at the bar and the BBQ provided was first rate. In conclusion an enjoyable tour for all those who attended and many thanks to those at the club who supported it either as a day tripper or coming for both days

and you were a pleasure to skipper. What was frustrating is the lack of support from the club; the tour is very much a Nacton tradition and if you speak with anyone who came they will say what good fun it was. Be great to see more people turn out next

season and certainly make the job of whoever is selecting the sides a less testing one. The whole club are welcome (plus partners if you so wish) even if you haven't played all season, and you can come either as a day tripper or support those solid group of tourists who take up hotel accommodation.

We would like to thank everyone who supported the tour in 2016. We are looking for a bigger and better tour in 2017. Any suggestions are always welcome. 

**Pictures Jane Bafico**

# Project Pavillion

## Peregrine Bush reports

It was many years in the planning, with debates over what and how we could improve the Pavillion at "The Stadium", work to improve the ground finally began in the spring of 2016.

Following a great fundraising effort by the club and plans ready, we approached the Nacton Village Council to seek approval to make the changes. We were granted the go ahead in the late Spring.

Original plans had been to build a new score box, with an electronic scoreboard incorporated, all of which would have fitted onto the front of the building. After getting estimates from local builders it was deemed far too expensive to proceed. It was then decided to move to plan 'B' which involved increasing the footprint of the existing patio and have that surrounded by a low-level brick wall. The Village Council were not convinced by the wall, so a wooden picket fence was chosen instead.

Work day one finally arrived and it was great to see so many of the club members

turn out for the works party. Machines and men then got work lifting the old patio and digging down and levelling the area so that tonnes of concrete could be poured into the vacant space. When we say tonnes it really was tonnes. Some of it was back breaking work but with Jonathan Warner at the hands of the mini digger to do the hardest parts we finished day one ahead of schedule.

Day two saw more work continue with posts being sunk for the fencing and the ongoing efforts to lay yet more concrete onto which patio stones were placed. After much effort the bulk of the work had been completed within the two day target. The completion in such a short period of time wouldn't have been possible without the support of the club members. All that was left was to install the electronic scoreboard which was done a few weeks later prior to the start of the season.

**NOTES TO THE ACCOUNTS**

1. **Accounting policies** have been applied consistently in dealing with items which are considered material in relation to the Club's accounts. The accounts have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. All stocks and assets purchased are expensed in the year acquired.

2. **Annual Subscriptions (£2778)** Membership comprised 31 senior and 2 junior members (2015 = 30 and 3). Subscription/ Membership rates remained the same as for 2015, but a new £80 Junior / Student "All Inclusive" membership option was introduced. 2016 membership options were paid as follows:

	<i>Member No's</i>	<i>Match fee</i>	<i>Subscription</i>
Senior (All Inclusive) - Single Payment	7	£0	£140 (or £145 after June 1st)
Senior (All Inclusive) - Standing Order	4	£0	£12/Month - Standing Order
Senior (Unlimited Games)	6	£6	£70 (or £75 after June 1st)
Senior (Occasional 1 - 6 Games)	10	£6	£35 (or £40 after June 1st)
Junior / Student (All Inclusive)	2	£0	£80 (or £85 after June 1st)
Junior / Student	0	£4	£25 (or £30 after June 1st)
New Member	4	£6	£35

3. **Net income from the dinner (£94).** Due to the timing of the accounting period this figure includes partial income & expenditure for both the 2015 and 2016 events. The actual net income from the 2016 dinner was -£5.77 and similarly the entire income and expenditure for this event will be captured in both the 2016 and 2017 accounts.

4. **Equipment** purchased in the year comprised the following:

Stumps	139.00
	<u>139.00</u>
4a. <b>Match Balls</b> (Part of Affiliation fees / balls)	
Match Balls (Medite *12)	120.00
Match Balls (Two Counties *24)	252.00
	<u>372.00</u>
<b>Total</b>	<u>511.00</u>

5. **Other Income £4365**, this comprises: Race Night (£915); Fun Day (£340); Scoreboard Donation (£3000); Opposition Share of Match Expenses / Donations (£80), Miscellaneous Donations (£30).

6. **Rent & Rates £2504** Comprises: £2000 Sports field Rent and £459 for Hire of Indoor Nets at Ipswich School (£270 of which was recovered through attendance fees, equating to a subsidy of £189). Income from nets has been logged as Match Fees. £20 and £25 was for Village Hall hire (AGM and Race Night respectively).

7. **Written Off Debts**, There are currently no outstanding debts

8. **Insurance £168** (Public Liability and Personal Accident).

After due consideration, the committee again agreed not to renew the all risks policy for 2016. (This policy provides basic cover for the theft of playing and ground keeping equipment, providing it is locked away). This decision was taken, in consideration of the policy costs, and terms when balanced against the overall risks and benefits.

9. **Other Expenses £6820**

Comprises: £2206 for Patio Materials and Equipment; £4290 for the Scoreboard (Including: Electrics, Frame & Installation); £121 Website Hosting, £70 Memorial Donations, £42 Score box Planning, £30 Tour mementos; £34 Archway BBQ; £27 Miscellaneous. (As per note 5 above the Scoreboard purchase was offset by a donation of £3000)

10. **Carried Forward (£3625) & Total Net Assets (£3624)**

These figures differ by £1.00 because of rounding errors in the spreadsheet. The actual "Total Net Assets" are £3623.91.

**ACCOUNTANT'S REPORT TO THE MEMBERS OF NACTON CRICKET CLUB**

I have examined the accounts for the year ended 30 September 2016 on page 1 and the notes on page 2. I have carried out the procedures requested by the Audit Committee, supplemented by additional procedures that I considered necessary. This does not constitute an audit in accordance with UK auditing standards or the UK Companies Acts.

I can confirm that:

- the accounts have been properly prepared in accordance with the accounting policies;
- the accounting policies have been consistently applied;
- adequate disclosures of material issues have been made in the accounts;
- the accounts have been correctly extracted from the underlying books and records; and
- no other material issues have been identified that would, in my opinion, require the accounts to be adjusted.

---

Beverley Pilbrough  
*Honorary Auditor*

# CLUB INFORMATION
